

Clean Energy
Lower Emissions, Higher Efficiency

Safe & Reliable
Smart Operation, Stable Power

Reliable Returns
Multiple Models, Flexible Sharing

THREE CORE SOLUTIONS

PV Power Station

Energy Storage Solution

24/7 After-Sales

THREE COOPERATION MODELS

EPC

Client investment, with full-cycle construction and O&M services.

PPA

SUNKWH investment, low-cost power at zero client outlay.

CI

Joint investment, shared power generation revenue.

01 Smart Cloud Monitoring & UAV Inspection
24/7 real-time monitoring & intelligent UAV inspections.

02 Quality Assurance
30-year module power output warranty + 5-year system warranty.

03 Patented Waterproof & Wind-Resistant Mounting
Strong structure, corrosion-resistant and durable performance.

SUNKWH

YOUR TRUSTED PV SUPPLIER

Green Energy, **Smart Storage**

01 Who's SUNKWH?

- ✓ Established in 2014
- ✓ Top tier PV enterprise in Guangdong, CN
- ✓ National high-tech enterprise
- ✓ Full-scenario PV project design

02 CORE STRENGTH

20+
Certificates

30+
Patents

30+
Honors

80,000 + million kWh
Annual power generation

03 AUTHORITATIVE CERTIFICATIONS

National High-Tech Enterprise

Specialized & Innovative SME

Power Engineering Construction General Contracting Class II

PICC Quality Insurance

License for Installation, Maintenance and Testing of Electric Power Facilities

Work Safety Production License

04 STRATEGIC PARTNERSHIP

C&I Project Cases

📍 Auto Parts City | Installed Capacity: **8.2MW** | 1st-Year Generation: **9.55GWh**

📍 Chongqing High-tech Park | Installed Capacity: **5.2MW** | 1st-Year Generation: **6GWh**

📍 Logistics Park(Foshan) | Installed Capacity: **7.6MW** | 1st-Year Generation: **8.4GWh**

📍 Zhaoqing, Litaifeng | Installed Capacity: **3.2mw**

📍 Nanhua Logistics Park | Installed Capacity: **5MW**

📍 Nanhai Profitable Property, Foshan | Installed Capacity: **1.103MW**

📍 Danzao New Energy, Foshan | Installed Capacity: **8.2MW**

📍 Zhaoqing, Feiya Industrial Park | Installed Capacity: **5.53MW**

📍 Zhongbao Cable(Foshan) | Installed Capacity: **4.5MW**

📍 Foshan Sanshui Luoxiang Aluminium | Installed Capacity: **6.4MW**

📍 Ruili New Materials (Foshan) | Installed Capacity: **2.46MW**
